

Your system supplier for the best brands

Over 20 years of commitment to a clean, sustainable energy supply have made us what we are today - your ideal partner! As one of the leading system suppliers and major wholesalers in the area of photovoltaics, we bring our many years of experience to bear at all levels of our cooperation with you - from assisting you with your sale, advice and service to your finished installation

Seven good reasons to choose us:

- One-stop solution
- Personal contacts
- Full range of best brands
- Comprehensive sales and planning support
- Reliable and fast delivery service
- After-sales service
- Training

One-stop solution

We have everything you need: a central contact person, a broad range of products including world leading mounting systems, help with your sale and planning, and reliable support after your order.

Personal contacts

We want your project to be a success! Our office staff are available from 9 am and make your request their personal assignment. Our specialists are here to help you with complex technical tasks. Our field service staff can provide you with on-site support.

Full range of best brands

Thanks to our decades of close cooperation with all leading manufacturers, we are certified by them and receive our know-how straight from the source. Our direct links ensure quick delivery readiness.

Comprehensive sales and planning support

In order to go the extra mile for our joint success, we can offer you professional support for your sales process, with everything from specialist advice and sales and marketing measures to 3D planning software available.

Reliable and fast delivery service

Our flexible logistics ensure quick, reliable delivery to you, providing you with the best project support. No quantity too small! Delivery right to the site of your project.

After-sales service

We're also there for you after your order has been placed! From competent technical support to quick and easy component replacement.

Training

We get our know-how straight from the source thanks to our strategic partnerships with all brand manufacturers. You can be sure you're getting this knowledge and more than 20 years of our own experience. See more on our P.L.U.S and supplier training [HERE](#)
